

*Couplers-Cross Guide, Directional*

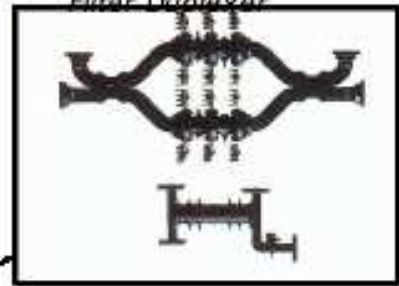

*Integrated Variable Ratio Combine*

*Flexible and Rigid Waveguide Assemblies*

*Low Loss, High Power Filter Duplexer*

*High Power Amplifier output assemblies*

*Isolators-Circulators Low and Medium Pow*

*Isolators-Circulators High Power Convection or Liquid Cooled*

*Adaptors, Attenuators, Orthomode Transducers*

*Power Combiners*

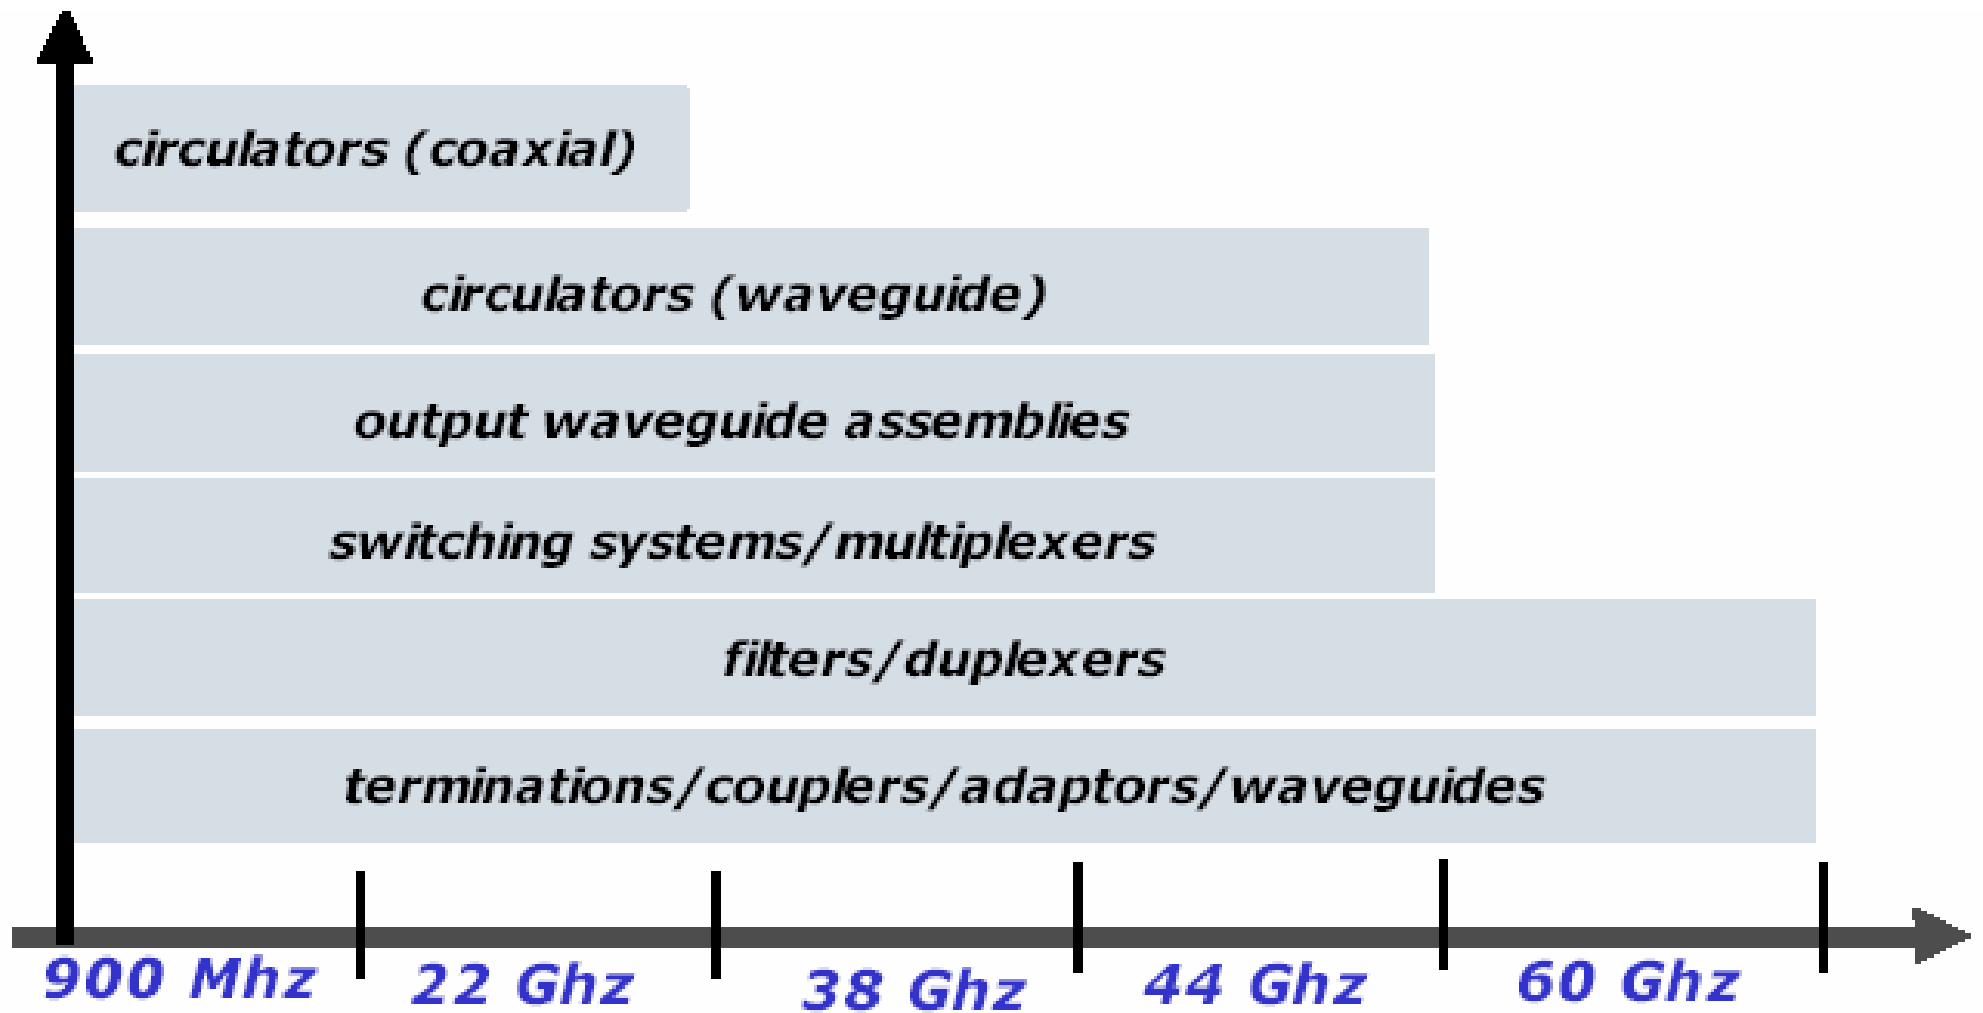

*Filters-Waveguide, Coaxial, ISO-Filters*

*Terminators-Low and High Power Convection or Liquid Cooled*

*Microwave components and sub-systems*
